2.126 (b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY.

Section 2.126(b) - Access and inspection of records and property: A responsible adult shall be made available to accompany APHIS officials during the inspection process.

A responsible adult was not available to accompany inspection at or about 1550 hours on 08/01/2011.

I attempted to get some one at the front door three times by knocking, not getting a response. I returned to my vehicle and called the licensee's cell phone at approximately 1602 hours and left a message that I was there to inspect the animals and property. I then received a phone call from another applicant, and made two other unrelated telephone calls before departing the area at or about 1610 hours.

**** To be corrected by 01-SEPT-2011.
